There will be over 2500 vehicles of all vintages displayed. If you can get around and see every one of them, good for you. Steve himself has a drop-dead collection of 46 Cadillacs. At the 2009 Cruize-In, the 7800 sq. ft. Fleetwood Auto Salon was officially opened where he has '30's era Cadillacs on display. In the previous years, names like Bo Derek, George Barris the famed producer of exotic hotrods, Tommy James and the Shondells, Frankie Avalon, and others have graced the weekend as headliners. Expect 15,000-20,000 people over the weekend and lots of vendors and food.

Schedule: Thursday – early arrival, Friday arrival and Pot Luck.
Saturday & Sunday mornings: Coffee and donuts provided

This is a dry camping rally so come with empty holding tanks and full water tanks. Because there is so much to do and see, there will be no organized GMC activities. You can buy banquet tickets for the Saturday night bash. It is a fund-raiser and the money raised has been and will be used for medical and hospital centres.
